July 2011

Aloha mai,

Mahalo for the opportunity to serve as the President of the Maui Native Hawaiian Chamber of Commerce. I look forward to fully embracing and modeling our Mission Statement to provide for an environment that sustains and promotes our membership through working together.

If you are already a member of the Maui Native Hawaiian Chamber of Commerce, I encourage you to renew your membership for the 2011-2012 year. If you're not a member, please join this great organization and help strengthen the alliance of the Hawaiians and the Hawaiians at heart in creating business opportunity in our community. We have both regular memberships and corporate memberships available. We welcome your ideas and involvement in an effort to advance the needs and goals of our members in Maui County and the State of Hawai'i.

The thirteen members of your Chamber Board and Officers can't do it alone. Please get involved. Help us make Maui an even greater place to live-work-and-play. Paying your yearly dues is not enough. We need your input. Attend the meetings. Give us your ideas to help us as we continue to make sure that opportunity is alive here in Maui and Hawai'i for our members.

Our Main Objectives for 2011/2012 Include:

- Create more value and benefits for our regular and corporate members.
- Identify and connect new business generation opportunities for businesses.
- Inspire our qualified professional members towards entrepreneurial opportunities.
- Help our local corporations connect with our qualified professionals and small businesses.
- Provide a voice in our community advocating for our members' needs.
- Grow our membership.

As President of the Maui Native Hawaiian Chamber of Commerce, I pledge to do all I can to make your membership valuable to you. I hope you will join me on this journey.
